

Yampa Valley Regional Airport Primary Management Compliance Document – Public Review and Comment Period

The Yampa Valley Regional Airport is in the process of updating its Primary Management Compliance Documents (PMCDs), which consist of Rules and Regulations; General Aviation Minimum Standards; Leasing, Rents and Fees Policy; and Development Standards. In essence, PMCDs are a compendium of documents that govern the operation, management, and development of an airport. In combination, these documents: (1) contribute to the financial health of an airport; (2) facilitate (foster) orderly development; (3) promote the provision of quality products, services, and facilities; (4) protect the health, safety, interest, and general welfare of the public; (5) reduce the potential for conflict with lessees, consumers, and users; and (6) reduce the potential for (and provide a platform for the resolution of) complaints.

Draft PMCD documents are available for public review at: <https://flysteamboat.com/guiding-documents/>. Comments may be submitted to Jeff Kohlman of AMCG at <https://aviation.surveyparrot.com/s/hdn-pmcd/tt-1L4EkCpfDCCZGrowxBWuyC>. The comment period will run from 2/17/23 through 3/19/23.
